Learners applying to enter any other Grade:

These Learners will write a "Placement Test" at the school to ascertain the Learners standards with regards to Language proficiency and Maths. This is to simply give the school some idea of the standard at which they are at, so as to make a recommendation to the Parent. This might be to suggest the child repeats the Grade applied for, or to provide a "home programme" to help assist the child to reach an acceptable standard.

Classes will be considered full when there are

22 Learners in any Pre-School class

25 learners in Grade 1 and
