Dear Parent and Guardian

Our aim is to provide a good quality uniform at an affordable price. For that reason, we have the little store at school. With the growth in numbers the previous year, we realised that we have to adjust the way we predict the number of uniform pieces that must be ordered. We took the trends from the previous year into consideration and ordered according to the data available but the items were sold out sooner than we expected. We ordered uniform for a second time when we started to run out of items. Please receive feedback on where we are with the delivery of uniform items today.

Item	When do we expect delivery	Sizes we experience a shortage in at the moment
Jerseys	Beginning next week	Size 28, 30, 34 and 36
Fleece jacket	Earliest in 4 weeks. The factory who supplied the material was burnt down during a protest action and the replacement shipment ordered has not arrived in South Africa yet.	2-3, 4-5, 5-6, L and Adult M
Skirts	Beginning next week	5-6, 7-8, 9-10
Blazers and ties	Awaiting reply	Larger sizes
Tracksuits	Next week	Size 26
Golf Shirts	Two weeks time	7-8, 9-10, 11-12
Long Sleeved		7-8, 9-10
Delivered: Hats, Turquoise shirts		

We want to apologise for any inconvenience caused by items not being available. When an item is ordered and paid for, Ms Maila tries to deliver it to the learner as soon as possible. In cases where learners ordered fleece jackets, which is the main item on the formal winter uniform, we will issue learners with a note to state that it is not available yet and allow learners to wear the jersey or tracksuit top with another item beneath it for enough warmth should it become very cold. When we do not have golf shirts available in a specific size, we will allow learners to wear the sports shirt for that period while we are waiting for delivery instead of the golf shirt. Soon we will have an online form available where parents can place orders the season before as to ensure we have stock available when the time comes to purchase the items.

Parents requested the labelling of the badge on the uniform items as before. To have it embroidered will add R46 to the cost per item. For that reason, we decided to rather just have the name of the school embroidered at the cost of R16 to R22 per item. This was the only change on uniform items. We added new items to the Secondary School uniform as to be able to distinguish them from the Primary School learners.

We are almost there. Thank you for your patience. It is much appreciated.

Yours in Education

JJ Berrange  
Principal
