Dear Parent and Guardian

Extra-murals are back!

Please let us know what sport and cultural activities your child will be doing.

There are some logistical issues to sort out with these activities starting. The main one is the collection of learners. It would be greatly appreciated if all parents can organise their child's transport to fetch them immediately after their activity. This will reduce the number of learners in the waiting area needing supervision. Our staff will be needed to run the extra-mural activities.

Covid Protocols:

- Some activity's numbers will have to be limited due to Covid protocols.
- Please take note that learners will need to wear masks **except when participating.**
- Social distancing will be expected except when participating in a sport that makes it impossible.

Proposed Timetable:
