Dear Parent and Guardian

We hosted our first Parent Forum meeting with parents who volunteered to be on the forum as to support the school. Our chairperson of the Board of Directors, Mr C Setiloane, finance representative and parent, Mr. J Ditinti, Mrs Fickling our deputy principal and the principal represented the school at this first meeting. We are excited about the caliber of parents who volunteered as we know that they will add value to the development and growth at PEPPS Motheong. Thank you once again to our parents who are ready to get involved and make a difference.

Members present introduced themselves as to get to know everybody a little better. Parents felt that they want to get to know each other better before we engage in the final voting for a leader per group. Groups will however start to look at the tasks at hand and prioritise action. We will start our journey with the 3 year School Development Plan, SWOT analysis done by staff and feedback from the parents in our recent UMALUSI submission.

Mr. Radebe suggested that we should at least select a Convener and Secretary as to have a structure in place until the final voting takes place. He nominated Mr B Kgomo as Convenor and Mrs Kefiloe Mametse as the Secretary. All parents present agreed with this decision. Congratulations to these members.

We will keep parents updated on the projects the Parent Forum initiates.

A reminder that our school will be closed for a mid-term break in the week of 14 to 18 June. Friday 11 June will be a normal school day with the 5 days at home during the week.

Please encourage your child to act responsibly and make choices that will keep everybody safe. We take action where learners violate the protocols. It is not because we want to be difficult but it is in the best interest of our learners, parents and staff. When a close family member has to wait for results of a Covid test, please keep the children who had close contact with the parent or caretaker at home until confirmation of a negative result is received. By sending a child to school with a possible Covid case at home will place everybody at school at risk. Stay warm. Stay safe.

Yours in Education

JJ Berrange
PRINCIPAL
